

**Azazel's Sides:**

**A fallen angel revealed:**

INT. MASSIVE CAVERN

They all aim their weapons toward the tree/mound as it rises to about seven feet above its base and holds, suspended in the air. Underneath, Martinez notices something moving.

SP4 MARTINEZ

What the...?

He leans in for a closer look as the others follow his lead. It's a naked MAN entangled in the roots, which are wrapped around his large, muscular body like chains! This is AZAZEL. Below him is a deep well swirling with a thick, black oily substance, which seems to almost have a life of its own.

Bright, glowing blue eyes peer through straggly blonde hair. The prisoner's voice sounds ominous, but somehow angelic.

AZAZEL

Help... me.

With a great deal of effort on everyone's part, they free the stranger from his strange prison chains. The man tightly grips the roots in front of him as his legs and body become free. He then swings out from under the tree, to slam feet then knee to face-first into the solid ground below.

Zak and his men point their weapons at the man as Jakes kneels down beside his head.

SGT JAKES

Are you OK?

AZAZEL

English. Such an inferior language.

SGT JAKES

Excuse me?

The man's massive arms flex rippling muscles as he pushes himself up, then rises to stand before the soldiers. Stunningly handsome, he is easily 7 feet tall. He stretches his back and neck, then fixes his eyes squarely on Zak and begins to laugh.

AZAZEL

The Tree of Life? Humans are so easily deceived. I never understood what He sees in you.

(CONTINUED)

ZAK

Who?

AZAZEL

Ahhhh. You don't even know Him.  
Perfect. Allow me to introduce  
you.

Suddenly, in a burst of blinding light, the man transforms  
into a hideous beast!
